SONG 1 VS ETELED

It starts in the middle of sams story part 6

Black screen

Sam: Seriously!? After watching Eteled suffer like that, do you still want to destroy the Wii!? What the hell is wrong with you!

Kyle: I can’t let him repeat history, Sam. After everything that he has done, there is no other option than to put him and the wii at rest, for everyone’s sake. I’m not doing this because i want to hurt him, I’m doing this to end the cycle he has ignited from day one. You have to listen to me!

Sam: No! It still doesn’t excuse the pain that you inflicted on him! You keep adding more fuel to the fire after everything he has been through, it isn’t just his fault. It is your fault too for lacking any kind of sympathy for him!

(A shot of eteled is shown while Sam is talking)

The two look at each other, like the original. And before kyle makes his move, they hear a *beep* coming from the screen
Yep it's him

Sam, Kyle, and eteled: What the...

Bf: beep! *again*

Eteled: Wha--huh?! Who are you?

Bfbeep

Eteled: Eh, a rap battle...? What a weird request. Sam, do you know what this guy is on about?

Sam: Uhm, i am not really too sure…

Kyle: And this story just keeps getting weirder…

Eteled: I don’t know a single thing about who or what you are, but you need to get out. I won’t take your silly little challenge.

Bep

Sam: Is he still asking you to do that? I dunno… it seems pretty sketchy.

Kyle: Well, i think that he should take it up, Sam. What could go wrong, huh?

……

Sam: What are you saying? We don't know what his deal is! For all we know, this could be a setup. And knowing you, I expected a no from how much of a coward you are.

Eteled: …Are you two done yet?

…

Sam: Ah—! Sorry bud, go ahead, ehe.

Eteled: Forget about what those two think, i'll do it. Im not gonna be a coward like Kyle. Could you give me your name or something, already…?

Bf: B e e p

Eteled: 'Boyfriend'…? Huh. That's a new one.

Kyle: It sounds fucking stu—

Sam: [mocking manner] Look who's talking, *Kyle*.

Eteled: Yeesh, I guess we're doing some introductions now, huh? Well, the name's Eteled. I am just your friendly average Mii, I suppose. I have been here for a long time…

Eteled: I've kind of lost track of how long, to be honest with you.

Sam: I'm Sam, a pleasure to be meeting you!

Kyle: …Kyle. That's all you're getting out of me, though.

Sam: he won't do much talking about himself then, i suppose.

Bf: B

Eteled: Alright, enough stalling. Let's get this over with already, should we?

Eteled: [sigh] …i hope that i won't regret doing this.

SONG 2 VS MAD ETELED

Eteled: Huh, well that wasn't that bad. It's usually a lot more peaceful up here… so this was a nice change of pace for me, heh

Kyle: See, Sam? Everything turned out just fine. You worry too much. As long as that Boyfriend guy doesn't try to delete him, *nothing* should go wrong.

Sam: Uh-huh, mister "wii-destroyer". I've got my eye on you, so don't try anything funny with me, Kyle.

bf gets a smug look on his face

Eteled: Hm?

BF takes out a wii remote

Eteled, Sam, and Kyle: Wha—?!

bf picks up eteled, still with a smug look

Eteled: H-hey! Put me down, this instant! I'm warning you, you don't want to do this!

Kyle: [slightly panicked] Well, speak of the devil!

Sam: Kyle! I swear, if you jinxed this…!

Sam: Wait, Eteled, don't worry! Just hang on buddy, I'll get you!

Sam tries to pick up the wii remote, but it doesn't work.

Sam: What the—?! Why isn't it working?

Kyle: …Heh, interesting. Finally, some excitement.

Eteled: [sounding in distress] Gahhh! Put me down, please! you shouldn't send me there! Not with *him*!

Sam: Come on, come on! Stop this, right now! This is not funny!
[Kyle is smiling in satisfaction while Sam continues to struggle to control Eteled from Boyfriend's grasp.]

Mii deletion sound

Sam: [shocked gasp] o-oh no…

Bf:b

eteled is suddenly fucking behind him oh no

Eteled: Hehehe...

Eteled: *sudden big boy maniacal laughter*

Eteled: hehe… oh, you made a big mistake messing with me here, bud.
Eteled: [darker laughter] Are you really that dense? Let me get something through your thick headed-skull, you dick.
Eteled: Never. Delete. Miis.
Eteled: I've got you where I want you now… you won't be getting away from me, blue balls boy. You chose wrong by trying to delete me.
Eteled: [taunting tone] Now let's see if you won't lose your head by the end of this. Here i come!.

SONG 3 VS AUSTIN

*Shot of eteled swinging his axe at bf, but he is narrowly avoiding it while Eteled laughes *

Kyle: ..Welp, this is a lost cause now.

Kyle picks up the wii and holds it over his head, preparing to throw it to his knee

Sam: Eh?! Kyle, wait— hang on a minute, what are you doing?!

Kyle: What does it look like I'm doing, huh?! I'm finishing what I originally came here for!
Kyle: I'm putting an end to this right now, Sam. I *have* to stop Eteled from hurting anyone else, once and for all!

Sam: Oh come on now, give me a break…!

sam punches kyle trying to take back the wii

Kyle: ah!

zoom into wii

Eteled: You can't run away from me now.. you *won't* ever leave my damn sight until i am done with you, fool!

eteled pics up bf by the neck

Eteled: Maybe I don't know who you are or what you could be, but I *will* make sure that you learn this lesson!.
Eteled: Get this through your thick-headed skull. Don't. Mess. With. *Miis*!

eteled deletes bf

Eteled: huff.. huff....

Eteled: Hehe.. [sigh of relief] Finally, some peace for once.

transition over to the hallway

Bf: beeeeeEEEEEEEEEEEEEEE-

*slam into the ground
*
Bf: Beep.

Girlfriend pops out of nowhere in the background

Austin: Well, well, well, look who we have here. Have you missed me, poor little Henry? What did little Kyle delete you again?.
Austin: Hmm… wait.

Austin: Now just who are you two…?

B: (He points at his mic and hat.) beep

Austin: Huh? So, from what i am getting at… you're "Boyfriend", a guy who gets himself into rap battles against challengers, who just so happened to go up against a strange looking Mii, named "Eteled", had it backfire once you deleted him, went again, then was deleted by him?

B: Beep, (he nods his head)

Austin: That is… definitely a mouthful. Its really a lot to take in. But Well, anyone who is against Henry is considered a friend of mine.

Austin: Allow me to introduce myself, new friend. My name… is Austin, and I am just someone who our little friend over there hurt a looooong, long time ago.

Austin: And what about this weird place? well.. welcome, to The Hallway. This is the place where all Miis go to when they are deleted.. You happened to send our little friend eteled here just moments ago, yeah?

Austin: I've been sitting here, all aloooone with nothing else to do. So, why not kill some time and make things exciting around here for once? I promise I'll make it worth your time. I can be an even better challenge than Eteled could ever be.

B; Beep!! (He said in a smirked smile, excited to see what Austin can pull off.)

Austin: Excellent. Now, be prepared to face me, I don't plan to make this easy on you.. Get ready for me to rip you to shreds. Ahahahaha!

Boyfriend, a little scared by that sentence. But he wasn't gonna pussy out. He'll try to keep his guard up. He points at him And nods in agreement. beep

AFTER SONG 3

Austin: Huff, not bad! Maybe I underestimated your abilities a little bit… but you're wrong if you think I'll call it quits now. How about we go again?

B: beep! (He said with pride, not letting his guard down)

Austin: Good, Ill make it much harder this time. Come at me!

[Before Austin could finish his statement, It then cuts to a familiar figure rushing behind and striking with his trusty fire axe... none other than Eteled.]

Austin: Oh? Now, where have you been all of this time, huh? If it isn't the man himself, Henry. Or should I say, "Eteled"?
Eteled: I've got you now, worthless piece of shit. Get out of my way, Austin.*Eteled reaches for Bf, But Austin attacks him*

Austin: Heh, did you really think you'd step in here without coming through me?
Eteled: Hggg… you little—!

(The two of them then break out into a fight while Boyfriend and Girlfriend take advantage of this moment as a chance to flee the scene.)

(The two of them, proceed to run for their lives while dropping behind their microphones and speakers. Hence, leading up to the bonus song, Artificial Purgatory.)

WEEK 2:

SONG 1 VS SAM

After Sam gets the wii back from Kyle

BF jumps through sams window
And gf pops out of nowhere with her speakers in sams room

……
Stare
Sam: What the fu-

Kyle: Uhm, Sam? Am I Hallucinating or Is the weird blue brat that just battled eteled INSIDE the wii, suddenly here, with us?

Sam: I… Yes?? I suppose???

Kyle: Sam how hard did you hit me

Sam: This story just lost any damn kind of sense it had

Kyle: Tell me about it.

B: beep!

!!!!

Sam: Uhh, Kyle… I think he wants to rap battle with me now????? (nervous, cuz ya know, shes shy and all)

Kyle: Well, you can say no, ya know?

Boyfriend just looking at them (that one do you have games on your phone meme)
HES JUST STANDING THERE, MENACINGLY!!!!!!!!!!
beep

Sam: I… don't think I can back out of this one, dude….

Kyle: Well, let's see how bad you mess this one up!

Kyle: But.. I think the both of us want this midget to get out of your room, so... Good luck, I guess.

Sam: *Sigh* Alright, ill get it the best I've got! Here I go!

Boyfriend picks up his mic ready to go.

SONG 2 VS KYLE

Sam: Uff, Man that was tough. I am NOT a natural singer.

Kyle: I ain't gonna lie, Sam, you did better than I thought. For a noobie.

Sam: As if you could do better, stripes

BEEP

Kyle: !!!

Sam: Would you look at that, it seems like this guy wants to rap battle you now Kyle!

Sam: Now let's see YOU mess this one up!

Kyle: Uhm... Actually,., I think I gotta leave now? I'm pretty sure my dad is waiting for me outside to pick me up for some reason.

Shot of outside sams house, a car is parked outside it

Now a shot of Johnathan inside his car

John:...

John: Do I hear... Music? Inside?

Back to sams room

Sam: Nuh huh, you are not getting out of this one! You WERE the one to suggest Eteled takes the challenge after all!

Kyle: Hhhggr. I guess.

Kyle: Alright, I'll show you what I got. I suppose I can't do worse than Sam right?

Sam: Heh, So much talk for a coward.

SONG 3 VS SAM AND KYLE

Kyle: Haha! Now that's what I'm talking about!

Sam: Damn Kyle, that DIDNT suck!

Kyle: say Sam.. If this guy was able to.. “Leave” the Wii somehow, wouldn't that mean Eteled can do it too?

Sam; Shut up dude that's a fanfic waiting to happen.

tv turns on *eteled seems beat up on screen because of his fight with Austin*

Eteled: I've tried and so far, it seems I can't.

Kyle: Now that's a relief.

Sam: Hmm.. Eteled, why do you look… Beat up?

Eteled: Uhhhhhh No reason, gotta go!

tv turns off

BF:BEEP

Kyle and Sam:!!

Kyle: Well, it seems like he wants to go again..

Sam: But with who? Rock paper scissors?

Kyle: Hmm. Sam, are you thinking what I'm thinking?

Sam: if you were thinking that we should “beat this stupid blue boy to the ground so he can leave”, then yeah, we are thinking the same thing.

Kyle: No no, i was about to suggest we…. Team up against him?

Sam: What do you mean?

Kyle: I suggest we put aside our differences and beat him at his own stupid game..

Sam: Bold of you to suggest that, but very well, i accept!

BEEP

Kyle: Alright, we are going all out.

Sam: Here we go!

AFTER SONG 3

Sam: Huff. huff…

Kyle.. did we… do it..? Huff.

Sam: Third’s song is over, I don't think I could do another one. I hope that was enough for them.

*bf and gf proceed to fade away with that funny fading sound (https://youtu.be/gzthb6gqLDY?t=8)

Kyle: Uhh… well, I guess that's over with.

Sam: Yeah… I suppose.

Kyle: Now that wasn't half bad.. But, let's never talk about this again, ok?

Sam: yeah.

the wii behind them suddenly bursts in fire

Sam and Kyle: OH FU-

Credits

VS MATT INTRO

Matt: So then, are you ready to go?

Eteled: I sure as hell am.

Matt: Alright, then show me what you've got, Eteled.

Eteled: Alright. Let's do this.

Eteled: (internally:) (This is gonna be tough. Just after Matt was first coded into the game, everyone in the office considered him a beast. Rumors were always going around that no normal player could beat him for months. even until release, before I died... I might be in for a hell of a challenge.)

Austin: Wowowowoah, Henry, are you really gonna face off against Matt *alone?*

Eteled: Austin!? What are you doing here! Don't tell me you came here to sabotage this match.

Austin: Hey, now why would I do that? I came to help you. Matt is a tough foe, don't you remember the rumors?

Eteled: Hgrr, I wanna say no, but I know you won't leave even if I made you.

Matt: Hey boys! Are you two done making out yet? Im eager to fight!

Eteled: Over my dead body.

Austin: yes we are! Now get ready for the match of your life, Matt.

Matt: A 2v1? A challenge! I like it.

Eteled: Alright then Matt, get ready.

Austin: Now that's the spirit!

Austin: (closer to eteled) Now remember Henry, the only one that should make you feel pain, is ***me***. That is why I'm helping you.

EXTRAS:

(This is for when you delete eteled from the files and try to play the week)

Eteled: So.. You went straight to the point, huh? You wanted to make this easy.. But if there's one thing you have to know about Miis... is that you cant get rid of us that easily.. (evil laugh maybe)

TRAILER LINE:

hm… i had a feeling that you would try to do this to me again. you truly have got a tough skull to even consider trying to get rid of me. Now you can try to run and hide from aaallll that you want, but you know deep down that you will never get rid of me. Now I gotta teach you your lesson, and get it through your thick skull.. so stay still and I shall make this a bit less painful for you. [insert evil laugh here]

General cool lines for Soul chained:
“Let's get straight to the point”
“Let's make this quick.”
*goodbye.. Austin.”
“Evil laugh”

Other cool general lines for eteled to throw around in songs:
“Why cant you understand!?”
“Lay off kid!”
“You son of a..”
“ Another evil laugh lol
“you’ll pay for this!”
“don’t. mess. with me.”
“you’re done for.”

AUSTIN:
this is worse than getting my legs chopped off.

i'd rather play fortnite than watch this pathetic performance
Not even my glitching can make up for how bad you are
WOW, i think you need to go back to eteled and practice before you even TRY me.
id rather deal with eteled than your skill issue
unlucky in life, AND in death, huh…
that performance was more scarring than anything I've ever seen. And im literally dead!
are you serious...? surely you can do better than that.
hey Austin do you think you can get this kid outta this wii?
you should lay down, you look like you need some rest.

I could just delete you, but these claws won't sharpen themselves
im still processing how you got this far
That performance was more low-quality than my character model
SAY GOODBYE TO YOUR UGLY HEAD
Do I have to do this? Oh well..cmon kid, lets go to the delete icon.
Your Wii is not thirsty. It does not want orange juice.
Such a shame you died so early..i was just getting started
at this point i think im going to give you electro shock therapy, this is disappointing
Why am I wasting my time with this midget?
You! Get a life! Oh wait, you don't have one...like me.
Heh. You never stood a chance.
Even Henry can put up a fight...unlike you.
Honestly, I expected more
Haha! I expected better from you. You really are helpless, huh?
You've died! You stupid idiot!
Of all the humans I have seen recently, you are definitely the ugliest one.
You're telling me you beat Matt, but lost to me?
Pick up the slack, I felt like I was playing on 50cc
Nice shot!
Compared to all the shovelware on the Wii, you're ten times worse.
Pffft. Wow, You're even weaker than Henry…
After that performance, I'd rather be in the server room again…
Strike. You're out.
You're dead. Not a big surprise.
Well well well, look who came out on top after all. Come again next time
Hah! Looks like I deleted you!
Huh. Well that was pathetic of you, dying so quickly.

SAM:
you could try harder ya know…
I didn't know what I was worried about!
Honestly, this is worse than when I got called "Sam the psychopath”
maybe we should try that again?
oh.. that's disappointing.
you get no bitches. That's right, none.
guess i gotta refer to the troubleshooting manual, don’t i?
aren’t you a rapper? Because this is pretty disappointing..
You sound like you're imitating 2010 nightcore.
i would call you trash but.. im nice.
Hey! you tried at least
your going to need some work on your skills there bud.
Just one more try?
Maybe you're just warming up? I can get you some water to help you a bit..
look, your girl may love it, but the beeping is REALLY grating on the ears

KYLE:
Sam just hand me the damn wii so i can just end this already!
your going to really need some skill if you want to beat me, Ha!
Damn. And I thought I was bad.
Get good, bro
L + Ratio + Your mother
hey, dad? something's wrong with my wii… again
Just.. Just get out of here, please
Have you considered touching grass yet?
I think I rather get bullied in school again than to watch that shitshow again.
get some more skill, then you can come back
To be honest? this is just a pleasure to watch
heh, break a leg kid
that performance was more scarring than anything I've ever seen.
I dont think hitting that retry button is even worth it at this point.
Might as well prepare a bed. We will be here ALL day.
If this keeps going..I will have to go easy on you, or something.
Come on, let me have some fun!
i think you should've chosen the easy mode option.. this is pretty disappointing
Haha, you suck
OOOOOHHH 360 NO SCOPE what im i doing with my life

Jeeze kid..your quite terrible at this, i just kicked your ass like there was no tomorrow

HENRY:

heh, was that your first try? how pathetic can you really get?

I expected better from you, don't disappoint me again now.

aww, what a shame. you could always hit the replay button to try and impress me again! if you're a sore desperate loser, that is. hehe.

should have just taken the other door to Todd's office instead, don't you think so?

that wasn’t half bad, when i’m asleep with one eye open. never do that again.

i finally got you where i wanted you. game over.

don’t be too sad now, maybe for your spare time, you could go and now buy that uh… plushie that is now available on makeship dot com?

did you… really just die now? i can’t even comprehend how stupid that tactic was of yours.

don’t. get. in. my. way.

if you look close enough, you’ll find some fun little secrets in the files once you are done. but don’t tell anyone that i said that.

you know, even though you just died, you could thank me for giving you the sharpest edge of the axe! less painful than you think now, huh?

now that you’re dead, here is a piece of advice from me. never scroll through the wii deleted you fanart tag on twitter. worst. mistake. of. my. Life.

“this is going to sound like a weird question, but who the fuck is Young Snooa?

i’ve put you out of your own misery, and now i’m satisfied. Such a shame we couldn’t spend more time together though, i would have loved to play with you for just a little bit longer, old friend…

NATHAN:
hey, that wasn't as bad as the last one! i think.
Next time, don’t invite me to your house for a rap battle.
Get owned, noob. (Kazoo noises)
I’m a bit of a gamer so it’s no surprise you lost to someone like me.
Hm, getting closer, but still far heh,
Oopsies! Oh well. I’m going to go play Destiny 2 now.
Why did things have to turn out like this? I miss when things were different between us.
Come on, Kyle! You should know that I would never spill the beans about the whole Eteled thing! I thought we were friends..
Dude, what happened with that Mii shouldn't affect our friendship...
